## Events at the King's kitchen

The warm and rustic Southern food that can be found at The King's Kitchen is not the only feature that will make you want to choose us to host your event. We offer a versatile setting that can accommodate any type of event, either inside in one of our dining spaces, or outside on our large, open patio. We can also provide plated lunches or dinners as well as buffet-style events or cocktail receptions. Either way, you will wow your guests and feel good knowing that your event will be helping Charlotte's community.

We are a farm-to-table restaurant so when dining with us you are not only joining our family; you are also helping our local farmers. The King's Kitchen is a not for profit that gives back to the community with feedings and rehabilitation support of shattered lives. Your continued support will help us achieve our goals and save lives.

Here are a few details to keep in mind.

There is an 18% gratuity and 4% planning fee added to each event with 15 or more guests. A final guest count at least 24 hours prior to the event is required and each vacant seat after the guest count has been finalized will result in a \$20 guarantee fee.

We ask that events with 12 or more guests be on one check.

## **Semi-Private Dining Spaces**

We have two semi-private dining rooms to accommodate a want for more privacy. The first is located in the front of the restaurant and can hold eight to ten people; the second is located in the back of the restaurant and can hold up to sixteen people. We do not require a rental fee or deposit for either of our semi-private rooms; however, one check is required. We also require a family style menu for parties of more than fourteen.
