Events at the King's kitchen

The warm and rustic Southern food that can be found at The King's Kitchen is not the only feature that will make you want to choose us to host your event. We offer a versatile setting that can accommodate any type of event, either inside in one of our dining spaces, or outside on our large, open patio. We can also provide plated lunches or dinners as well as buffet-style events or cocktail receptions. Either way, you will wow your guests and feel good knowing that your event will be helping Charlotte's community.

We are a farm-to-table restaurant so when dining with us you are not only joining our family; you are also helping our local farmers. The King's Kitchen is a not for profit that gives back to the community with feedings and rehabilitation support of shattered lives. Your continued support will help us achieve our goals and save lives.

Here are a few details to keep in mind.

There is an 18% gratuity and 4% planning fee added to each family style event.

A final guest count at least 24 hours prior to the event is required and each vacant seat after the guest count has been finalized will result in a \$20 guarantee fee.

Events with more than 14 guests must be on one check. This is to ensure the satisfaction of your guests and ensure efficiency of processing payment for large groups.
